EXPERIENCE

Cat Tien Sa Senior Graphic Designer

Worked with the head of design department as senior graphic designer and art director in various projects — including the rebrand of the corporate identity and gameshows and events that were either created by or operated by the company. Delivered a wide variety of design works.

Spring 2018 - Spring 2019 — Ho Chi Minh City, VN

Witness Performance Graphic Designer

Worked closely with the CEO to design and create a website and system to organize the company's performances and events. Other tasks include creating promotional materials for various platforms.

Summer 2017 - Spring 2018 — Melbourne, AU

Themanoid Graphic Designer

Worked remotely with the art director and their design team from around the world to create website designs to be used as templates for Wordpress and other platform. Tasks include design interfaces and front-end developing.

Summer 2016 — Amsterdam, NL

I have also been working as a graphic designer on various projects since summer of 2014.

EDUCATION

Monash University

Master of Design, Multimedia Design
